

Flower Pot

Items needed:

1. A washed and dried Yakult bottle
2. Coloring pencils or crayons
3. Straws or stir sticks
4. Scissors
5. Tape or glue

Instructions:

1. Color your favorite flowers, and carefully cut them out
2. Give your flowers "stems" by gluing or taping them to straws or stir sticks
3. Cut the stems to desired length
4. Place your flowers face-forward in a clean, empty Yakult bottle
5. Post a finished photo to Twitter or Facebook, and tag @YakultUSA
