

# Jack-o'-lantern

## Items needed:

A washed and dried Yakult bottle, scissors, tape and glue.

## Instructions:

1. Cut out the items below (select a mouth to use and cut out)
2. Tape one end of each strip to the bottom of the Yakult bottle, then tape the top of the strips inside the bottle
3. Tape or glue all the other items to the bottle/strips
4. Post a picture of your Jack-o'-lantern and tag Yakult USA
